

IMNE-PIC-ZA

MEMORANDUM FOR RECORD

SUBJECT: Commander's Approval of FY16 Snow and Ice Alleviation Plan for Picatinny Arsenal

1. The purpose of this memorandum is to document my review and approval of the FY16 Snow and Ice Alleviation Plan as outlined in the enclosed documents.
2. The FY16 Snow and Ice Alleviation Plan delineates the procedures used for effective removal of snow and the alleviation of slippery conditions so as not to impede traffic and to ensure the safety of pedestrians. It also describes the procedures used to notify and communicate with emergency and support personnel and the methods for assuring that equipment and vehicles necessary to perform tasks are equipped and ready for service.
3. The POC is Mr. Richard Havrisko, Director of Public Works, 973-724-5520, email Richard.a.havrisko.civ@mail.mil
